PROSPECTUS AT & CA

Course Offered

- AT – Accounting Technician
- CA – Chartered Accountant (CAP – I & CAP – II)

Timing

6:30 am Onward
6:30 pm Onward

Introduction

Apex Management College is a new venture of Birgunj College, established for the purpose of grooming manpower with Administrative as well as Legal skill in local market. Our Motto is “Creating Self Employment”, so, we are running Accounting Technician (AT) since 2018 as a First Institute in Nepal and now going to start Chartered Accountant (CA) CAP – I & CAP – II Course with the Accreditation to The Institute of Chartered Accountants of Nepal.

In near future we shall be starting BBA (Bachelor in Business Administration), MBA (Master in Business Administration) & BA - LLB (Bachelor in Art & Bachelor in Laws). All the courses under AMC are related with Self Employment.

Message from Chairperson

Birgunj College almost maintained a very high level of result in +2 as well as TU examination in the entire Terai of Nepal. This is a result of team work of the entire college family including students as well as their parents too.

In the context of Decentralization of Power of Nepal Government and Globalization, the demand of AT & CA is growing. However, the numbers of AT & CA are not sufficient to cope with the requirement. In the case of CA Passed from other than Nepal, the registration in ICAN is very tough. So, now we are going to start Chartered Accountant professional first and second level.

AT Classes at AMC is first time in Nepal and hope all the students of Terai shall be benefited by achieving such course. I am thankful to The Institute of Chartered Accountants of Nepal (ICAN) for believing us for first time in Nepal.

Not last but the least, you are always welcome at AMC as a student, guardian or parent to visit us for your valuable suggestion to shape future of Nepal.
