We just celebrated **One Decade of Establishment** ceremony through **Cultural & Food Festival**. This institute has become first institution of Nepal to run AT classes in Nepal. This is a result of team work of the entire college family including students as well as their parents too.

Today is the age of accepting challenges. So, we are making a foundation for students as well as society to accept challenges in this competitive environment. We mix learning with ECA and lot of activities of CSR like Blood donation, Plantation, Helping orphanage home and like for the overall development of each and every student.

Not last but the least, you are always welcome at Birgunj College (BCPL) as a student, guardian or parent to visit us for your valuable suggestion to shape future of Nepal.
